Notes: Daylight Saving Time begins at 0200 March 8 and ends at 0200 November 1. PST is eight hours earlier than GMT, and PDT is seven hours earlier than GMT. The selected run dates were adjusted to be closest to the actual time of the Full Moon but not occur on a Monday, Wednesday, Friday or Sunday.

#1 Moved to Thursday to avoid Porter's Pub

#2 Get-A-Life Week

Respectfully submitted,

Captain Hook, Celestial Navigator for the Full Moon Hash
